Tips for attending the Wedding Expo

• Create a temporary e-mail to be used while you are planning your wedding. That way you can delete it when you no longer need it.

• Bring adhesive address labels. This will save you a lot of time when you register for prizes at booths.

• Collect information you are interested in and take it home to look over again at your leisure.

• Bring your credit card or debit card to the Expo in

case you want to book any services or hold a date. Some of the best discounts will be given at the Expo.

• Ask lots of questions, that's what the vendors are there for. They want to help you and you are under no pressure to buy from them, so find out everything you need to know.

• Take notes!

• Wear comfortable shoes and have a great time!

Wedding Gown Tips

While trying on bridal gowns, wear shoes with the actual height you plan to wear with the dress.

Choose a style that flatters your figure, even if it's not "trendy."

If you're top heavy, go for the full skirt gowns.

Avoid bows and bustles on the back if you have a large derriere.

Soft, multi-layered cloths

will create a slimming effect.

Be sure to try on many gowns. You will be surprised that a dress that looks so-so on a hangar can look fabulous when you try it on. Be adventurous and have fun!
